INTRODUCTION TO **AETEK INC.**

LEADING PoE SOLUTIONS FOR IP SURVEILLANCE

AETEK INC., a company of **DELTA GROUP**, was founded in March 2015, Taiwan.

As a professional developer and manufacturer of IP surveillance technology, the company keeps formulating a variety of **PoE product lines** and **adaptive peripherals** to function with various brands of IP cameras in the same network environment.

VISION and VALUE

Provide comprehensive product lines facilitating different applications of the Surveillance Industry
Aim to simplify your installation efforts, our mission to integrate your devices, and our
commission to support your business.

Power over Ethernet Product lines

Long Range PoE

- Ethernet & Power transmission up to 4KM
- Hybrid Copper-Fiber Cable
- Coaxial Cable
- UTP/ STP Cable
- 2 Wires Cable

Outdoor PoE

- IP67-rated Aluminum Case
- IK10-rated vandal-resistant
- All-in-one easy installation
- 30/60/90/95W PoE
- Back-up PoE Cabinet

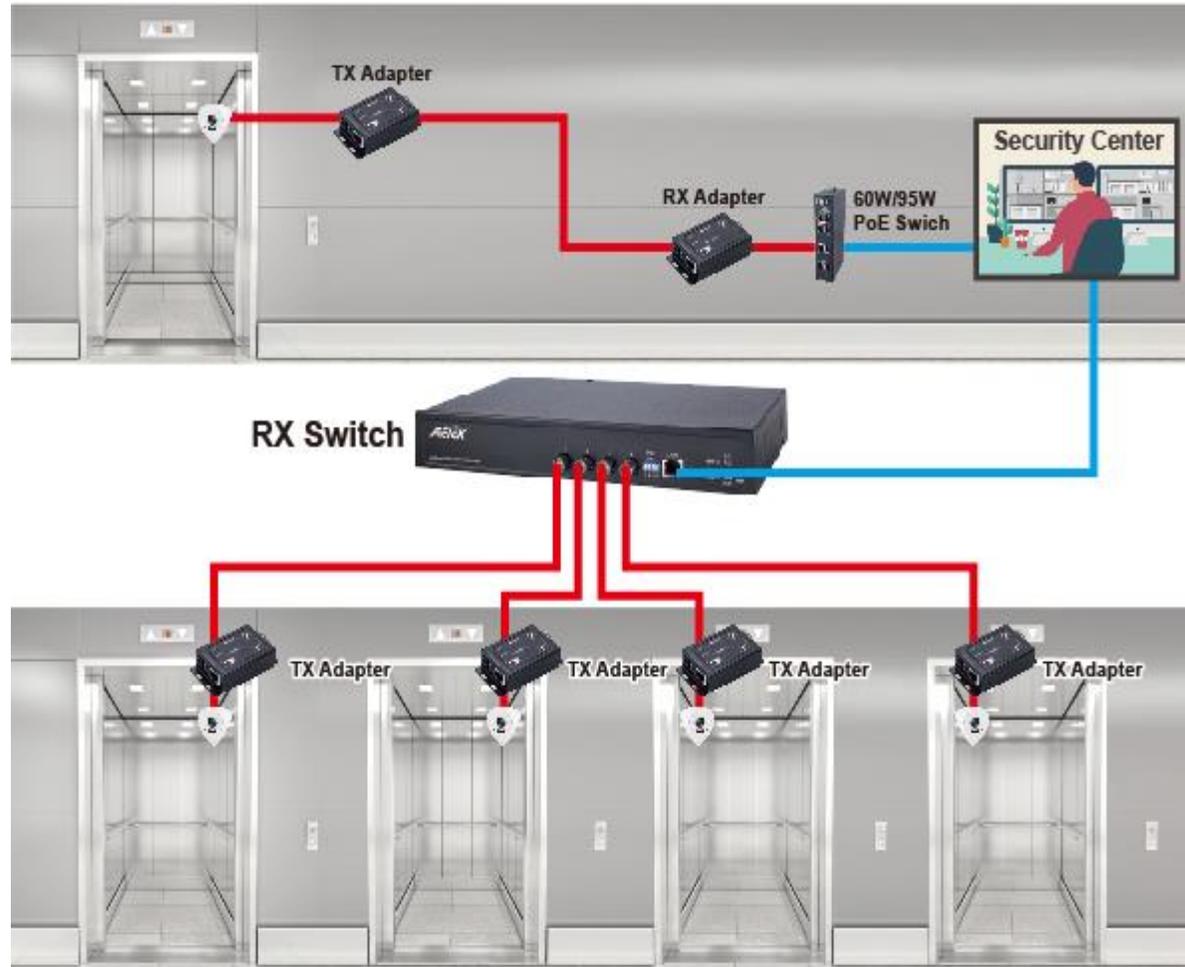

Industrial/ Commercial PoE

- DIN-Rail/ Rack Mount
- 30/60/90/95W PoE
- Switch/ Media Converter/ Injector/ extender

Long range PoE Applications

EPoX(EPoT,EPoC,EPo2) Applications

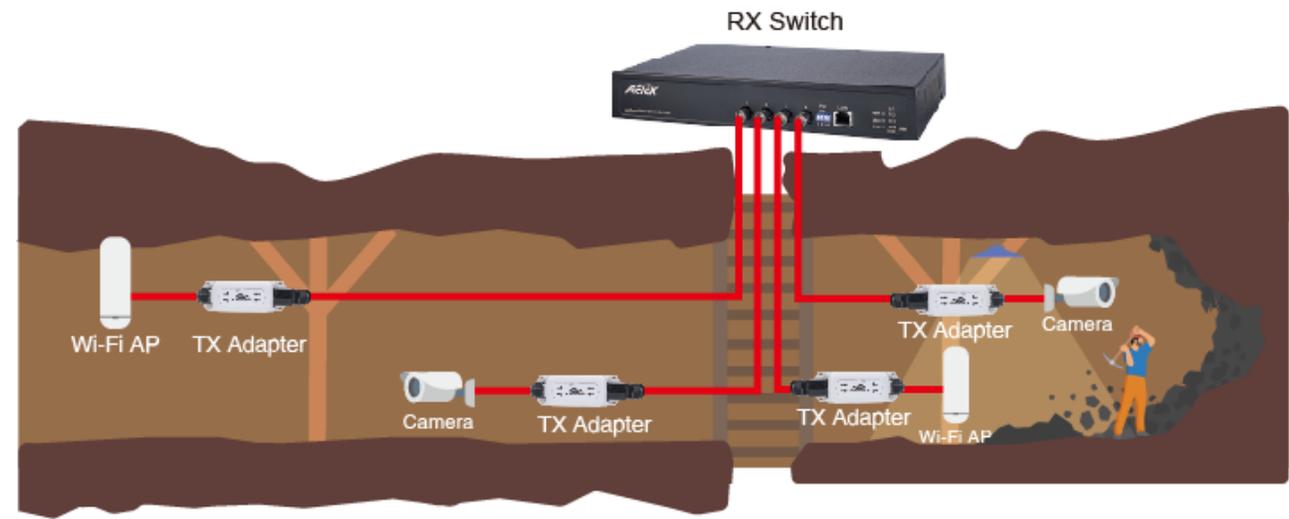

EPoC (Ethernet & Power over Coax) Topology

EPoT (Ethernet & Power over UTP/STP) Topology

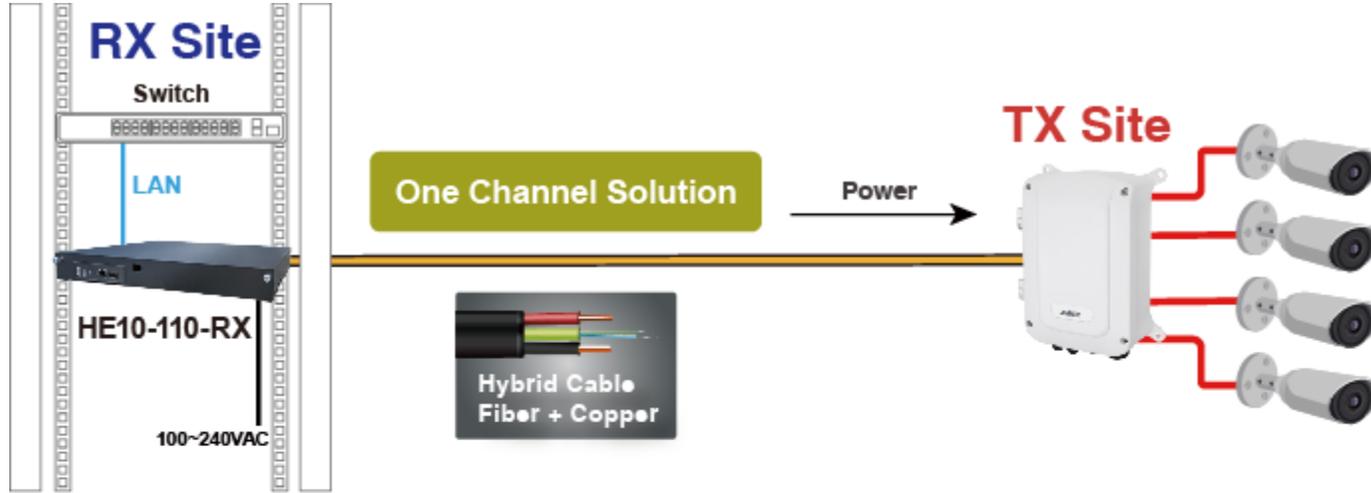

EPo2 (Ethernet & Power over 2 Wires) Topology

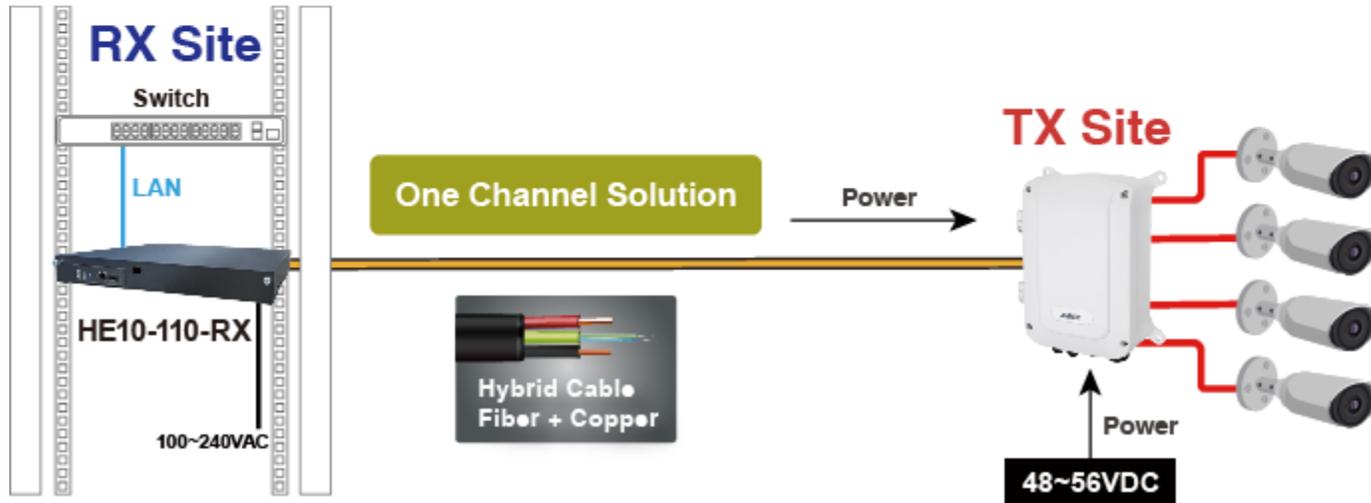

PoE (Data + Power) ——— Ethernet ———

Long range PoE Applications

EPoH Applications

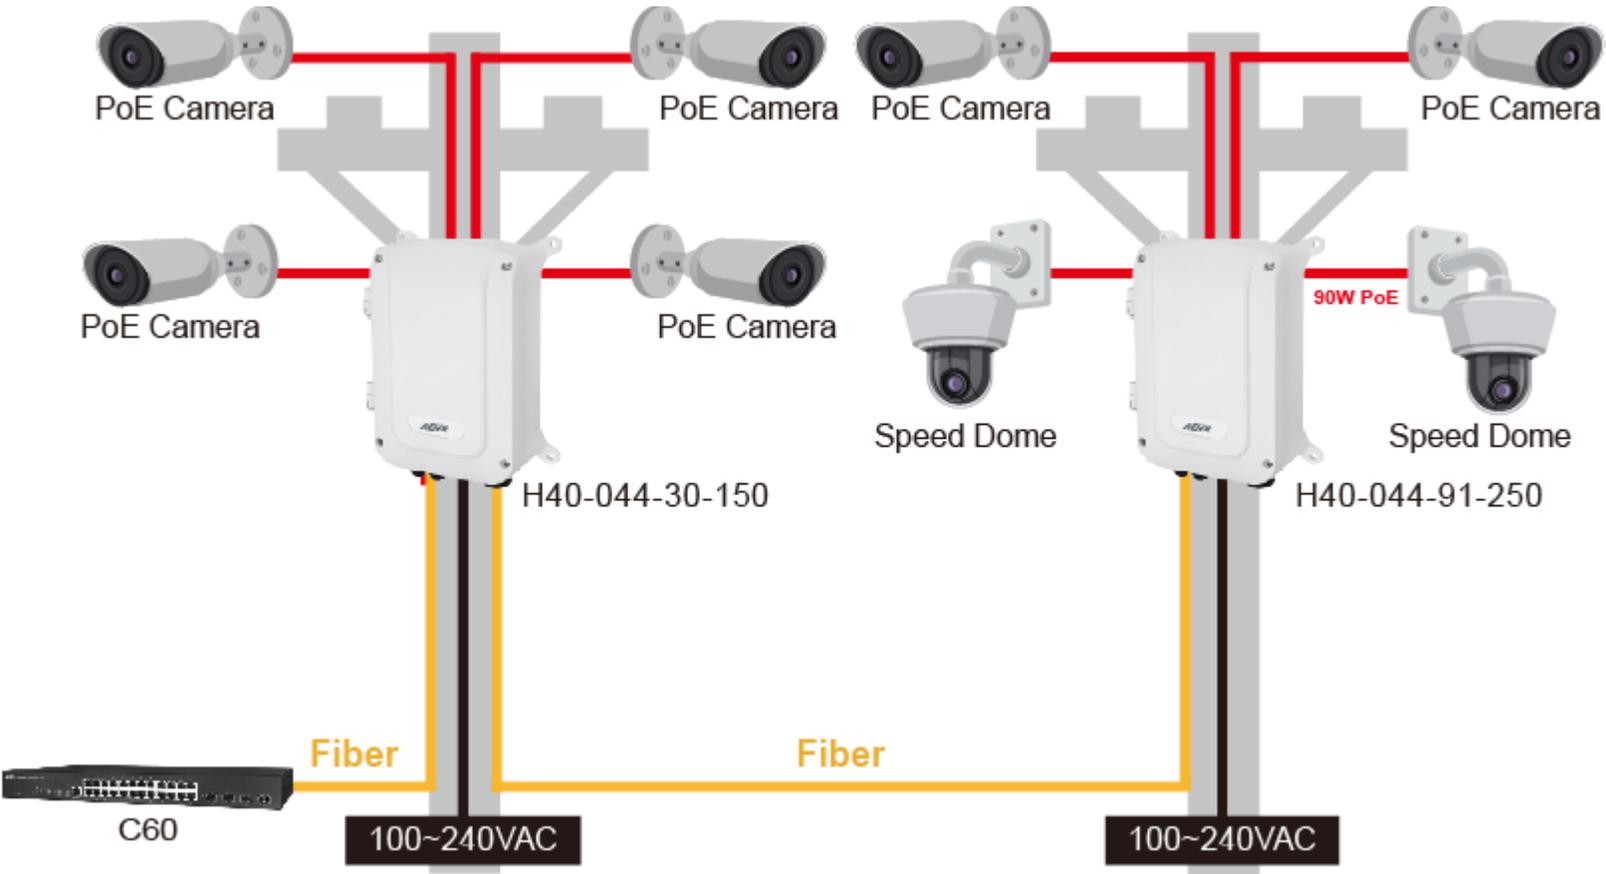

Redundant Power

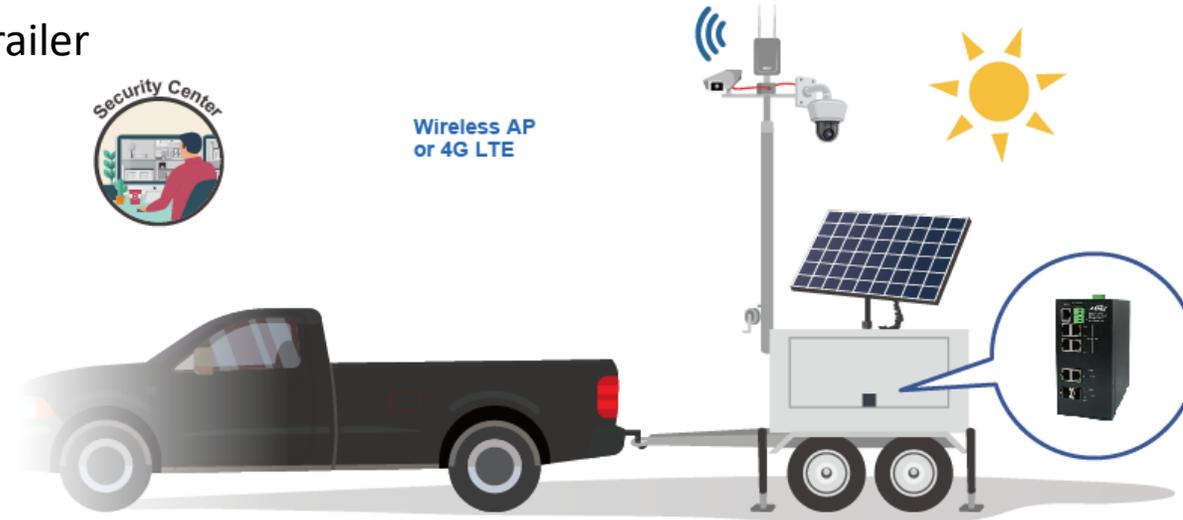

PoE (Data + Power) — LAN — Power — Hybrid Cable

Outdoor PoE Applications

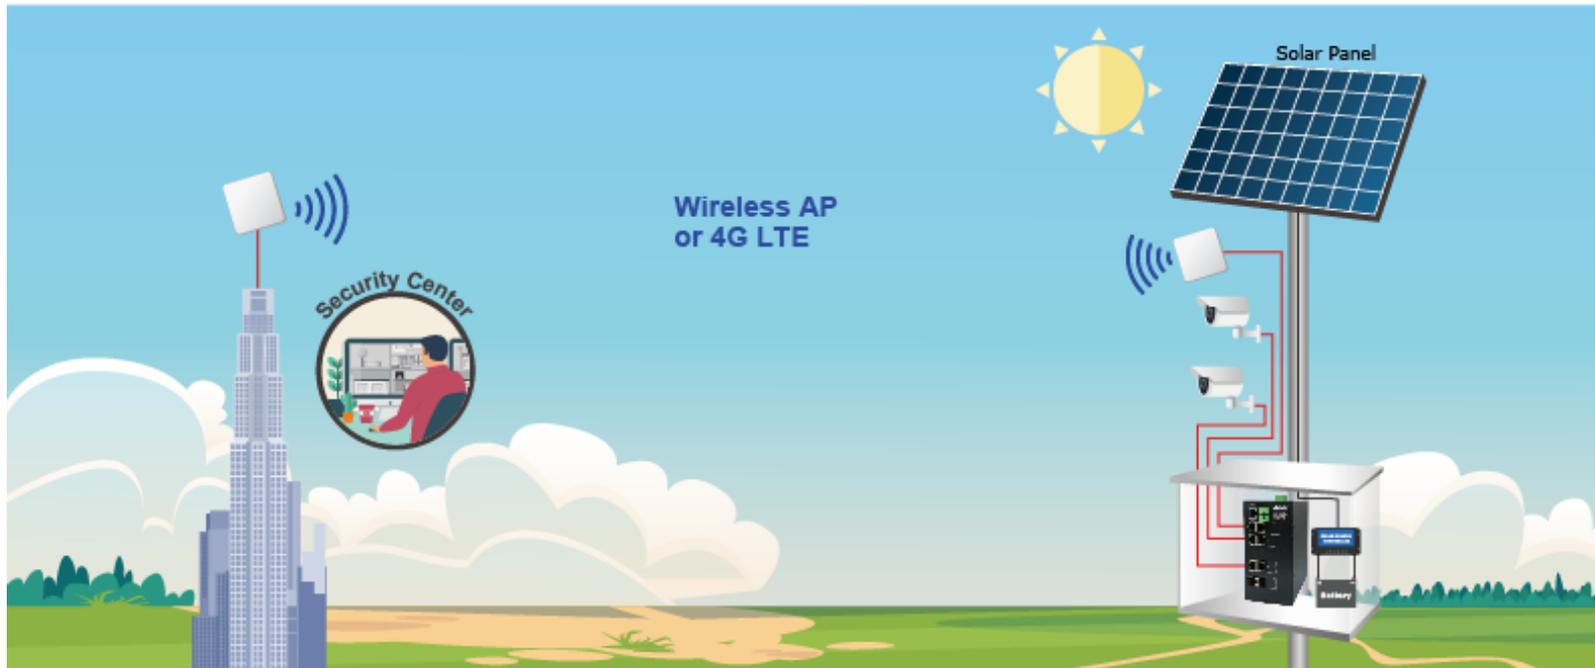

Industrial PoE Applications

Mobile Surveillance Trailer

Solar Wireless Surveillance

Peripherals Product lines

PoE Surge Protector

- 1CH/4CH/24CH
- 802.3bt/at/af
- LED Indicator
- Unmanaged/ IP-Managed

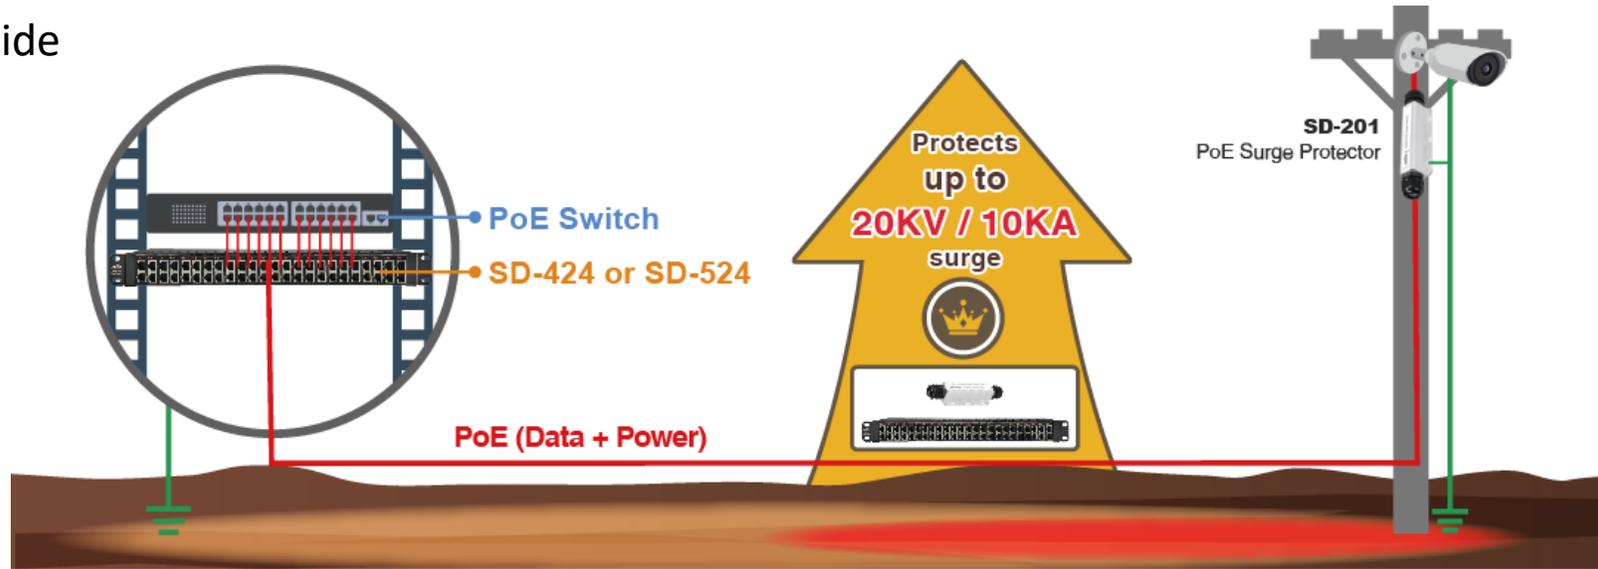

Camera Housing

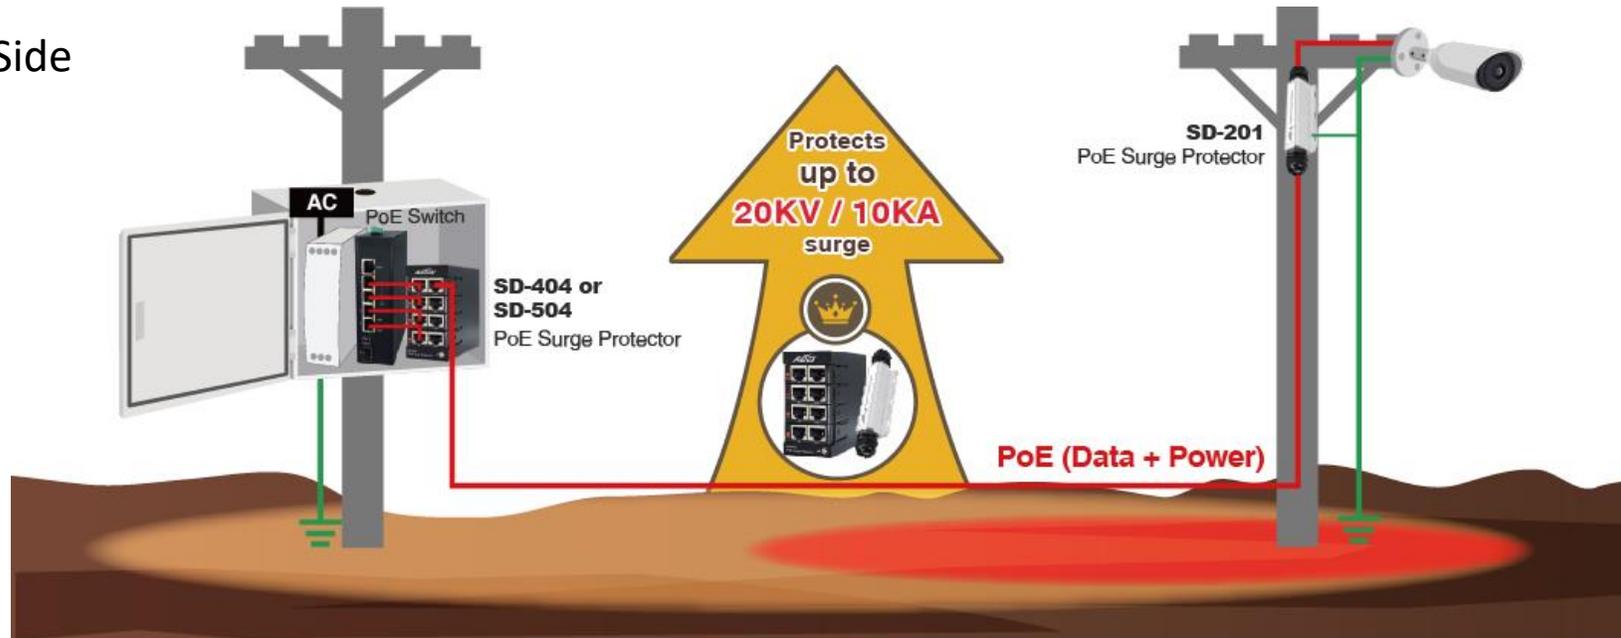

- AC24V (Optional DC24V)
- 802.3bt/at/af PoE
- 800m PoE
- AISI 316L Stainless Steel

PoE Surge Protector Applications

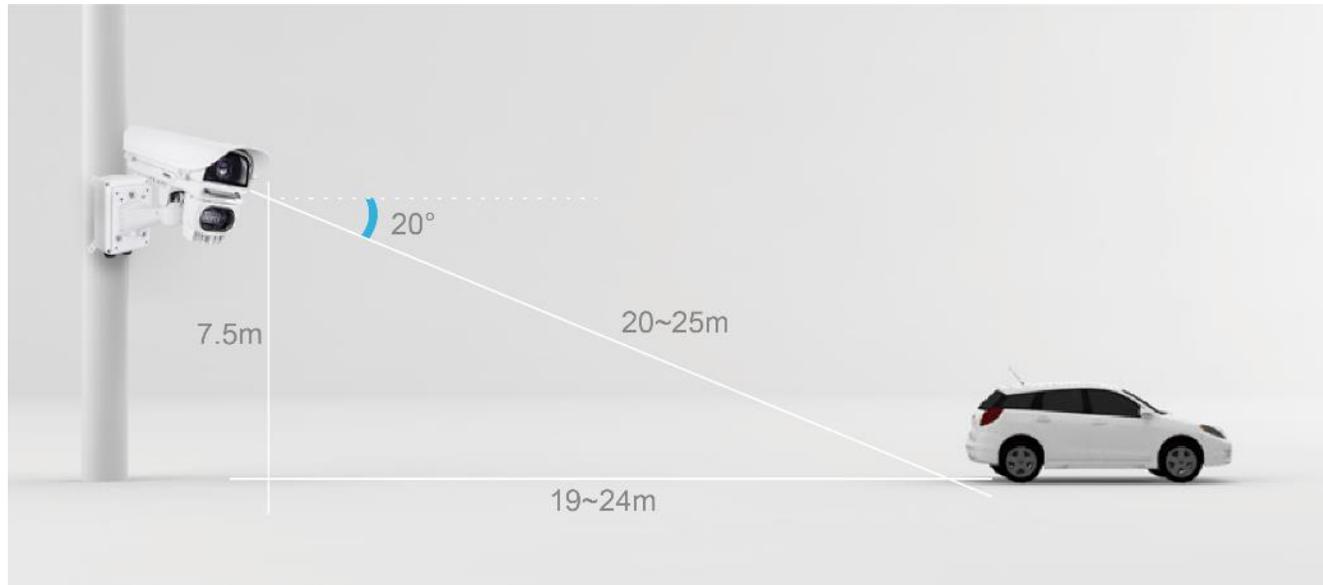

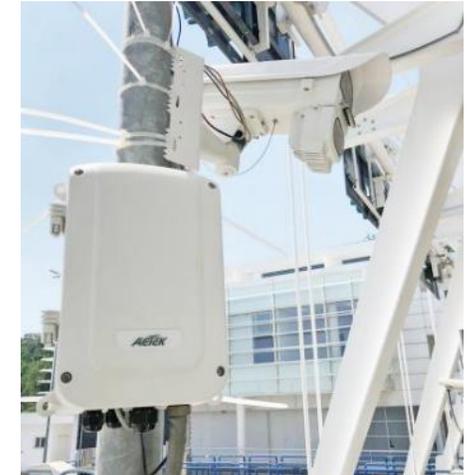

Central Side

Remote Side

Camera Housing Applications
