THE GUNNEBO GROUP

Security to Rely on

Gunnebo is a leading global security provider offering products, solutions and services within cash management, entrance security, safes & vaults and electronic security.

Customer Offering

Cash Management

Intelligent cash handling solutions designed to reduce the time spent on cash management, improve efficiencies in the cash cycle and make the whole cash handling process more secure.

Entrance Security

Solutions to regulate and control the flow of people into and out of buildings. Also includes ticket control solutions for mass transit systems and airport gates for fast boarding, immigration control and security checks.

Safes & Vaults

High-quality safes and vaults, certified to resist burglary, fire and explosives. Sold under leading brands such as Chubb safes and Fichet-Bauche.

Electronic Security

Solutions for remote surveillance, access control, intrusion detection and electronic locking.

Security Services

Product lifecycle services including corrective, preventive and performance maintenance, and upgrades and retrofitting. In addition, remote monitoring services for retail cash handling processes, alarm systems and surveillance networks.
