Work forever to realize the communication between human and human, human and substance, substance and substance.

The background image shows a bright, modern interior space. On the left, there is a white dining table with four white chairs. A black plate of green apples sits on the table. In the center, a large window with white frames looks out onto a garden with a wooden fence and greenery. To the right, a white kitchen counter is visible with a sink and a window above it. The floor is light-colored wood. The entire image is overlaid with a semi-transparent green filter.
