MOTORIZED ZOOM LENSES

THE BEST SOLUTION FOR YOUR SECURITY

The lens is the essence of the camera system and the decisive factor in the overall performance. When it comes to security, good and reliable performance is essential. We have been contributing to safety for borders, harbours and airports for more than thirty years and we continue our challenge to manufacture high quality zoom lenses that capture any object.

MEGAPIXEL NIR CORRECTED ZOOM LENS

DESIGNED FOR TRUST

The lens is as vital to the camera as the eye is to us. The monitoring device is the front line that protects lives and property. Therefore, sacrificing quality is absolutely impossible. Quality is at the core of VS Technology.
