Trade Fair for Sanitation, Heating, Air Conditioning and Renewable Energies

Ticket Sales for SHK ESSEN 2018 Started

From Now On, Tickets for the Trade Fair from March 6 to 9, 2018 Are Available Online

The ticket sales for SHK ESSEN 2018 at Messe Essen from March 6 to 9 have begun: From now on, trade visitors can, at www.shkessen.de, order tickets for the national trade fair for sanitation, heating, air conditioning and renewable energies with the highest number of visitors. An online one-day ticket costs Euro 19.00. Vocational college pupils and schoolchildren from North Rhine-Westphalia can obtain their free tickets in advance of the fair via the head office of the North Rhine-Westphalia Trade Association for Sanitation, Heating and Air Conditioning (FV SHK NRW). At the ticket office on the day, technical college pupils, trainees and students will pay Euro 11.00. Guild members of FV SHK NRW can obtain their discounted tickets also via its head office for Euro 12.50. 570 exhibitors from 18 nations will present their products and fair innovations at the fair for doers. Amongst other subjects, attention will focus on digital and energy-efficient solutions for bathrooms, heating and air conditioning.

For the first time, the coming SHK ESSEN will take place on a new sequence of days and will be open from Tuesday to Friday instead of from Wednesday to Saturday. This will serve to spread out the density of the activities on the working days. SHK ESSEN will be open from 9 a.m. to 6 p.m. from Tuesday to Thursday and from 9 a.m. to 4 p.m. on Friday. On the SHK ESSEN website, visitors can not only purchase tickets but also plan their visits to the fair: Amongst other features, they can thus add exhibitors to a personal memory list and arrange appointments with them online. Via the fair's own app, the users will then be able to retrieve all the information in situ.
